ROLLING HILLS: CREATING A WELCOMING SPACE FOR OUR ELDERS

The Absentee Shawnee Housing Authority continues to enhance the Rolling Hills Addition and Cammack Addition, a community reserved for elder families ages 55 and older.

With support from the AARP Community Challenge Grant, new benches and lighting have been installed along the walking trail, creating a welcoming space for residents to enjoy the outdoors, and connect with their community.

These improvements build on the completed walking trail extension at Rolling Hills and support ASHA's commitment to resident safety and accessibility. Additional planned improvements include signage reminding drivers to slow down and watch for pedestrians.

HOME MAINTENANCE TIP OF THE MONTH

Reverse Ceiling Fans: Set fans to spin clockwise on a low speed to push warm air back down into the room

ABSENTEE SHAWNEE HOUSING AUTHORITY

POLICY REMINDER

IMPORTANT LOW RENT PARTICIPANT PROGRAM RULES & REMINDERS:

PRINCIPAL RESIDENCE AND EXTENDED ABSENCE POLICY

Participants are permitted to be away from their rental homes as often as necessary for personal reasons. ASHA respects the privacy of its Participants and will not interfere with their daily lives unless intervention is necessary for health, safety, or compliance with program requirements.

However, ASHA policy requires each Participant to use the program unit as their principal residence. A unit that remains unoccupied for a period of 30 consecutive days or more may be considered abandoned and may result in a breach of the lease agreement.

If you anticipate being away from your rental home for 30 days or longer, you must notify the Housing Authority of your extended absence.

PROHIBITED CONDUCT:

The following conduct is prohibited under the Program. **ASHA takes reports of prohibited conduct seriously and may investigate reported incidents to determine whether a violation of Program policy or the lease agreement has occurred.**
Program Participants, household members, and guests shall not:

1. **Disturb the peace** of the community or engage in conduct that threatens, intimidates, harasses, or unreasonably disturbs other Program Participants or neighboring residents.
2. **Engage in domestic violence** or other violent or threatening behavior.
3. **Appear intoxicated or engage in disorderly conduct** due to alcohol consumption in public or common areas of the community.
4. **Possess, use, manufacture, or distribute illegal drugs, drug paraphernalia, or controlled substances** in violation of applicable law.
5. **Improperly or unlawfully use firearms, pellet guns, BB guns, or other dangerous or deadly weapons or instruments** on or near Program property.
6. **Destroy, damage, deface, disturb, or interfere with the use or enjoyment of property**, including any structure, housing unit, building, or other real or personal property belonging to ASHA, the Tribe, or another Program Participant.

REPORTS OF PROHIBITED CONDUCT MAY BE INVESTIGATED BY ASHA. WHEN SUFFICIENT INFORMATION ESTABLISHES A VIOLATION, ASHA MAY TAKE APPROPRIATE ACTION IN ACCORDANCE WITH THE APPLICABLE PROGRAM POLICY AND LEASE AGREEMENT.

DISASTER PREPAREDNESS CLASS

In the month of October -
A Disaster Preparedness Class was held for AST members and ASHA residents to teach them how to prepare them, their families and other adults for disaster's such as tornadoes, fires, and winter weather.

2 attendees won Emergency Kits provided by AARP!
